Oh, I've been known to cry for kisses that you gave me
And those arms that used to hold me tight
Though I tell my heart that I don't miss you
I've been known to cry for you at night.

I might say that I don't miss you
I was glad you said goodbye
Make believe I might be lonely
But my heart knows that I've been known to cry.

Oh, I've been known to cry for kisses that you gave me
And those arms that used to hold me tight
Though I tell my heart that I don't miss you
I've been known to cry for you at night.

--- Instrumental ---

I might say you left
No wonder that I found somebody new
Make believe that I don't want you
That I've been known to cry because I still love you.

Oh, I've been known to cry for kisses that you gave me
And those arms that used to hold me tight
Though I tell my heart that I don't miss you
I've been known to cry for you at night...
