(Tammy)

The sun is shining down  
Not one cloud around  
The morning hits me  
Where I lay.

Everything is green  
A perfect day it seems  
Yes, he's got everything, his way  
But I've seen better days.  
I've seen better days.

Chorus:

When the rain was pouring down  
And he had his loving arms wrapped around me  
I've seen better days.

(George)

The neighbors come and go  
As they smile and wave hello  
And all the kids are out to play,

Lollipops and good times  
Lord, they look so much like mine  
Aww but she has taken mine away  
Lord, I've seen better days  
Yes, I've seen better days.

Chorus:

When the rain was pouring down  
And she had his loving arms wrapped around me  
I've seen better days.

(Both)

We've seen better days...
