Well, I'm knocking on the door of your heart, my dear  
Like the three little pigs you have it locked with fear  
I'm a-huffin' and a-puffin' like the others do  
I'm not a big wolf I'm just a-little boy blue.

Open up your heart and let me come in  
I have no hair on my chiny, chin, chin  
You know I love you and I want her too  
I'm not the big bad wolf I'm just a-little boy blue.

Well, the first one you loved broke your heart I saw  
I was sound asleep while you concealed it all  
My hearts in my hand and I want to give it to you  
But your heart like stone and I can't reach you.

Open up your heart and let me come in  
I have no hair on my chiny, chin, chin  
You know I love you and I want her too  
I'm not the big bad wolf, I'm just a-little boy blue.

--- Instrumental ---

Well, you won't let me in so I'll sneak away  
And if you ever need me I'll be asleep in the hay  
I'm a-huffin' and a-puffin' like the others do  
I'm not the big bad wolf, I'm a-little boy blue.

Open up your heart and let me come in  
I have no hair on my chiny, chin, chin  
You know I love you and I want her too  
I'm not the big bad wolf, just a-little boy blue.

Open up your heart and let me come in  
I have no hair on my chiny, chin, chin  
You know I love you and I want her too  
I'm not the big bad wolf, I'm just a-little boy blue.

I'm not the big bad wolf, I'm just a-little boy blue...
