CHORUS

[1] Put the Bottle [5] on the [1] Table
Let it Stay [4] there Till I'm not Able
To See your [5] Face in ev'ry Place that I [1] Go
I've been Sitting [5] here so [1] Long
Just [4] Remembering that you are Gone
Well, One More Drink of Wine
Then if [1] you're Still on my Mind
One Drink, Just One [5] More and then A-[1]-nother

I'll keep Drinking, it won't Matter
I'll just Remember that I Once had Her
I don't Know why I Sit and Cry ev'ry Day
I've been trying to forget, But I Havent Stopped it Yet
Well, One More Drink of Wine
Then if you're Still on my Mind
One Drink, Just One More and then Another

CHORUS

[1] Put the Bottle [5] on the [1] Table
Let it Stay [4] there Till I'm not Able
To See your [5] Face in ev'ry Place that I [1] Go
I've been Sitting [5] here so Long
Just [4] Remembering that you are Gone
