Let's all go down to the river
There's a man who's walking on the water
Come along with me
I want to see this man walking on the water

Well, He can raise the dead from the grave
Change the water and turn it into wine
And he can make the lame walk, He can make the
dumb talk
And open up the eyes of the blind

Oh, let's all go down to the river
There's a man who's walking on the water
Come along with me
I want to see this man walking on the water

Jesus is the man at the river
And He's washing people's sins away
He can save the soul if you give Him control
Be ready for that judgement day

Let's all go down to the river
There's a man who's walking on the water
Come along with me
I want to see this man walking on the water

Oh, let's all go down to the river
There's a man who's walking on the water
Come along with me
I want to see this man walking on the water

Oh, let's all go down to the river
There's a man who's walking on the water
Come along with me
I want to see this man walking on the water
