You say that you want me  
Yes, I really want you  
Well, how much do you want me?  
Well, I want you as much as her child wants its mother  
Oh, that's how much I want you

And you say that you need me  
Yes, I really need you  
Well, how much do you need me?  
Oh, tell me how much can her man need a woman?  
Well, that's how much I need you

Then what will you give me?  
What will I give you?  
Yes, what will give you me?  
A garden of love that will live on forever  
Oh, that's what I will give you

Then let's build a world together  
One world, safe, together  
And no matter what happens  
I'll love you forever  
And I'll give you love

And I'll give you love  
Yes, I'll give you all of my love
