I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standin' looking back at me
And it was plain to see that I'd enjoy your company.

One Sunday afternoon as I was riding down the street
I met a cute little girl all dressed up so sweet
And the way that she was stacked I wish I'd've had a Cadillac
For who would notice me just drivin' this model T.

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standin' looking back at me
And it was plain to see that I'd enjoy your company.

Listen baby now it's okay with me
Cause in your model T you're as cute as you can be
If you'll take me for a ride I will set close by your side
And I will guarantee we'll have fun man alive.

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standin' looking back at me
And it was plain to see that I'd enjoy your company.

Oh me, oh me, oh gee, oh gee
Perhaps you'd notice me if I wadn't drivin' this model T

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me

You were cute as you could be standin' looking back at
me
And it was plain to see that I'd enjoy your company...
