If I hadn't quit my ways of wrong
I know what I would have done
I kept falling down in life
Till I became no one.

But you found me just in time
And held my head up high
And showed me the right way I should go
And made me realize.

I hadn't reached the end of life
Your love have pulled me through
Then you made me become
The man worth lovin' you.

Yes, you gave me a reason to keep livin' in
And made me have some faith in what I do
Yes, you gave me a reason to start givin' in
When I became the man worth lovin' you.

I thought that life have turned on me
And made me lose my faith
But I know now it wasn't life
That filled my heart with hate.

I thought that love have turned me down
Until you came along
But now I know what real love is
I feel it to the bone.

I hadn't reached the end of life
Your love have pulled me through
When you made me become
The man worth lovin' you.

Yes you gave me a reason to keep livin' in
And made me have some faith in what I do
Yes, you gave me a reason to start givin' in
When I became the man worth lovin' you.

When I became the man worth lovin' you...
