Oh Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin'  
The things you used to do.

As I was motivatin' over the hill  
I saw Maybellene in a Coupe DeVille  
Cadillac rollin' on an open road  
But nothin' outrun my V8 Ford  
Cadillac doin' about ninety-five  
Bumper to bumper rollin' side to side

Oh Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin'  
The things you used to do.

Well, the Cadillac pulled up ahead of the Ford  
The Ford got hot and wouldn't do no more  
It done got cloudy and started to rain  
I tooted my horn for the passing lane  
The rain water poured up under my motor hood  
I knew that wern't doin' my motor good.

Oh Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin'  
The things you used to do.

--- Instrumental ---

Well now the heat went down  
And the motor cooled down  
And that's when I heard that highway sound  
Cadillac lookin' like a ton of lead  
A hundred and ten, a half a mile ahead  
Cadillac lookin' like it's sittin' still  
I caught Maybellene at the top of the hill.

Oh Maybellene, why can't you be true  
Oh Maybellene, why can't you be true  
You've started back doin'

The things you used to do.

--- Instrumental ---

Oh Maybelline, why can't you be true  
Oh Maybelline, why can't you be true  
You've started back doin'  
The things you used to do...
