Dark days ago (dark days ago)  
I walked all alone (walked all alone)  
I thought for my sins I could never atone  
But then I was loved when I heard a voice say  
Look and I'll turn all your darkness to day  
Then I knelt down to pray (knelt down to pray.)

Now my cup runneth over (cup runneth over)  
Life is so sweet (life is so sweet)  
All I could hope for to make it complete  
Down lifes silvery pathway He's walkin' with me  
My cup runneth over, no sorrow I'll see  
My Jesus loves me (Jesus loves me.)

--- Instrumental ---

My future looks bright (future looks bright)  
My heart is at ease (heart is at ease)  
And every night while down on my knees  
I thank the good Lord who smiles from above  
And the happiess wraps me around like a glove  
For I have His love ( I have his love.)

My cup runneth over (cup runneth over)  
Life is so sweet (life is so sweet)  
All I could hope for to make it complete  
Down lifes silvery pathway He's walkin' with me  
My cup runneth over, from sin I am free  
My Jesus saved me (Jesus saved me...)
