T: I followed you to Texas  
T: I followed you to Utah  
G: We didn't find it there, so we moved on  
T: I went with you to Alabam'  
T: Things looked good in Birmingham  
G: We didn't find it there, so we moved on

Chorus: (Both)  
I know you're tired of followin'  
My elusive dreams and schemes  
For they're only fleeting things  
My elusive dreams

G: You had my child in Memphis  
G: Then I heard of work in Nashville  
T: We didn't find it there, so we moved on  
G: To a small farm in Nebraska  
G: To a gold mine in Alaska  
T: We didn't find it there, so we moved on

Both: And now we've left Alaska  
Both: Because there was no gold mine  
T: But this time, only two of us moved on  
G: And now all we have is each other  
G: And a little memory to cling to  
T: And still I won't let you go on alone

Chorus: (Both):  
I know you're tired of followin'  
My elusive dreams and schemes  
For they're only a fleeting thing  
My elusive dreams

For they're only a fleeting thing, my elusive dreams...
