MY LORD HAS CALLED ME
WRITERS GEORGE JONES, WEYTEK

My Lord, has called me today
To go the straight and narrow way
So for my Lord I'll surely live
Yes, my Lord has called today.
God warned us all
To live in sin no more
To place our faith in him
To reach the other shore.
My Lord, has called me today
To go the straight and narrow way
So for my Lord I'll surely live
Yes, my Lord has called today.

God warned us all
To live in sin no more
To place our faith in him
To reach the other shore.
My Lord, has called me today
To go the straight and narrow way
So for my Lord I'll surely live
Yes, my Lord has called today.
