I may say that I don't care and hold up head up in the  
air

Even tell my friends I'm glad that you don't call  
But when the day is through and my heartaches start  
anew

Well, that's when I miss you most of all.

And my arms keep reaching for you  
My eyes keep searching for you  
My lips keep calling for you  
And my shoes keep walking back to you.

--- Instrumental ---

No matter how much I pretend I wish I had you back  
again  
For nothing else means half as much as you  
My world just seemed to die the day you said goodbye  
And I can't forget no matter what I do.

And my arms keep reaching for you  
My eyes keep searching for you  
My lips keep calling for you  
And my shoes keep walking back to you.

And my shoes keep walking back to you...
