G: There's just one place for me

B: Near you

T: It's like heaven to be

B: Near you

G: Times when we're apart

G: And I can't face my heart

T: Say you'll never stray

T: More than just two lips away

G: If my hours could be spent

B: Near you

T: I'd be more than content

B: Near you

T: Make my life worth while

T: By telling me that I'll

B: Spend the rest of my days

B: Near you

B: Near you

B: Near you

T: Make my life worth while

T: By telling me that I'll

B: Spend the rest of my days

B: Near you

B: Spend the rest of my days

B: Near you...
