NUMBER ONE  
WITH TAMMY WYNETTE  
WRITER JERRY CHESNUT

I don't wanna see no lips of all the lips you've ever  
kissed  
I just wanna be your No 1  
I don't need no one to warm me I don't care who came  
before me  
I just wanna be your No 1  
All that happened yesterday is now a part of history  
Let me be your destiny let's do what's right for you and  
me  
I don't wanna try and undo all the wrong somebody  
done you  
I just wanna be your No 1  
My whole world revolves around you life began the day  
I found you  
I just wanna be your No 1

Let's not spend no time discussin' anything that don't  
mean nothin'  
I just wanna be your No 1  
Take me in your arms turn out the light lock the door  
And I won't even wonder if somebody had a key before  
I don't wanna solve no mist'ry yesterday belongs to  
hist'ry  
I just wanna be your No 1 No 1 I just wanna be your No  
1  
I just wanna be your No 1 I just wanna be your No 1
