Oh well, I'm tired and so weary
But I must go alone
Till the Lord comes and calls
Calls me away, oh yes

Well, the morning's so bright
And the lamp is alight
And the night is as bright
As the day, oh yes

There will be peace in the valley for me, some day
There will be peace in the valley for me, oh Lord I pray
There'll be no sadness, no sorrow, no troubles,
troubles I see
There will be peace, peace in the valley for me,
someday

Well, that old bear is goin' to be gentle
And the wolf will be tame
And that old lion is gonna lay down
By the little lamb, oh yes

And the beasts from the wild
Ooh, it's gonna be led by a child
I'll be changed, changed from this creature
That I am, oh yes

There will be peace in the valley for me, some day
There will be peace in the valley for me, oh Lord I pray
There'll be no sadness, no sorrow, no troubles,
troubles I see
There will be peace in that old valley for me, someday
There will be peace in that old valley for me
