Bells will be ringing, the glad glad news
Oh, what a Christmas to have the blues
My baby's gone and I have no friends
To wish me greetings, mhm, once again.

Choirs will be singing, Silent Night
Christmas carols, by firelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas, by New Years Night.

Friends and relations send salutations
Sure as the stars shine above
But this is Christmas, Christmas my dear
It's the time of year to be with one you love.

So won't you tell me, you're never more wrong
Christmas and New Year will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again.

--- Instrumental ---

There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again...
