Well, I was sent to a place in North Carolina  
To check up on a moonshine still  
When I got there to my surprise  
I could see a little light on the hill  
Well, the fire was glowing and really I was knowing  
I was really hot on the track  
But in D.C. they said it couldnt' be  
But I'll be the one to bring 'em back.

'Cause I'm a revenooer man  
Hey, I'm a revenooer man  
I got a badge in my pocket  
And a gun on my hip  
And them moonshiners  
Better never make a slip  
'Cause I'm a revenooer man  
Yeah, I'll get 'em if I can.

--- Instrumental ---

Well the moon was shining bright  
As I looked down the river  
I noticed on the side of the hill  
I can see a red light that was glowing bright  
I knew it had to be a still  
Well, the people down the road said it wasn't far  
But I better know someone  
'Cause when the moonshiners know I carry a star  
I'll bet my bottom dollar I'll have 'em on the run.

'Cause I'm a revenooer man  
Yeah, I'm a revenooer man  
I got a badge in my pocket  
And a gun on my hip  
Them moonshiners better never make a slip  
'Cause I'm a revenooer man  
Yeah, I'll get 'em if I can.

Well when I got back the woods were bare  
Must've knew I was on my way  
Well, I heard the branches shatter  
And they started to scatter

I heard two or three of them say  
It's the revenooer man  
It's revenooer man  
He's got a big 45 and loads to fill  
Dragging and shagging to another hill  
It's the revenooer man  
And he'll get us if he can.

Yeah, I'm the revenooer man  
And I'll get 'em if I can...
