You've painted up your lips
An rolled and curled your tinted hair
Ruby are you contemplating going out somewhere
The shadows on the wall tell me the sun is going down
Ruby, don't take your love to town

It wasn't me that started that old crazy Asian war
But I was proud to go and do my patriotic chore
And it's true I'm not the man, Ruby, that I used to be
Ruby, I still need some company

It's hard to love a man whose legs are bent and
paralysed
And the wants and the needs of a woman your age,
Ruby I realize
But it won't be long I've heard them say until I'm not
around
Oh Ruby, don't take your love to town

She's leavin' now 'cause I just heard
The slamming of the door
The way I know I've heard it slam
One hundred times before
And if I could move I'd get my gun and put her in the
ground
Ruby, don't take your love to town
For God's sake turn around
Don't take your love to town...
