When your arms hold me I thrill through and through
When your arms hold me I thrill the same too
No other can take it from these arms of mine
Oh, this feeling you give me is simply divine.

We're meant for each other, we both know it's true
And everyone round us say the same too
Just one kiss from your lips tells me you're mine
Oh, this feeling you give me is simply divine.

--- Instrumental ---

Just being near you means so much to me
If ever I'd lost you how lonesome I'd be
I'll love you forever till the end of the time
Oh this feeling you give me is simply divine.

We're meant for each other, we both know it's true
And everyone round us say the same too
Just one kiss from your lips tells me you're mine
Oh, this feeling you give me is simply divine...
