The warden led a prisoner down the hallway to his
doom
I stood up to say good-bye like all the rest
And I heard him tell the warden just before he reached
my cell
'Let my guitar playing friend do my request.' (Let
him...)

Sing me back home with a song I used to hear
Make my old memories come alive
Take me away and turn back the years
Sing Me Back Home before I die.

I recall last Sunday morning a choir from off the street
Came in to sing a few old gospel songs
And I heard him tell the singers 'There's a song my
mama sang.
Could I hear it once before you move along?'

Won't you
Sing me back home with a song I used to hear
Make my old memories come alive
Take me away and turn back the years
Sing Me Back Home before I die.

Sing Me Back Home before I die...
