Young ones in the jailhouse sleeping it off  
Church folks saying that his soul is lost  
Man you shoulda seen him, all the faces turned red  
Yep, when the preacher stood up and said  
The only thing different in sinners and saints  
One is forgiven and the other one ain't.

--- Instrumental ---

Sally got in trouble a few years ago  
With a married man down in Tupelo  
The way folks talked in this little old town  
Lord, there ain't no way she's ever gonna live it down  
The only thing different in sinners and saints  
One is forgiven and the other one ain't.

--- Instrumental ---

Nobody's perfect, we're just flesh and blood  
One foot on the high road, one in the mud  
There's a mighty fine line between right and wrong  
Don't point your finger, don't matter which side you're  
on  
The only thing different in sinners and saints  
One is forgiven and the other one ain't.

The only thing different in sinners and saints  
One is forgiven and the other one ain't.  
One is forgiven and the other one ain't..
