Honey, you think you've got an attitude  
So you treat him just a liitle to loose  
Well, buddy you think she's a little to cold  
So you act like a two year old.

Don't it make you feel low, Joe  
Don't it make you feel mean. Gene  
Don't it make you feel ashamed of yourself  
Don't it make you feel small y'all?

Boy you say something bad about her brother  
And girl you say something mean about his mother  
And tempers flare and insults fly  
And you're both a-wantin' to die.

Don't you feel like a jerk, Kirk  
Don't you feel like a ninny, Jim  
Don't it make you ashamed of yourself  
Don't it make you feel small y'all?

Lady you say you don't love him no more  
And mister you kicked down the bedroom door  
He called you names you never heard before  
And now it's a full scale war.

Don't it make you feel a-crazy, baby  
Don't it make you feel mentally ill, Phil  
Don't it make you ashamed of yourself  
Don't it make you feel small y'all?

--- Instrumental ---

Six o'clock, eight o'clock, nine o'clock, ten  
The neighbors all know that you're at it again  
And two little kids just a few feet away  
Hear every word you say.

Don't it make you feel bad, dad  
Don't it make you feel wrong, mom  
Don't it make you ashamed of yourself  
Don't it make you feel small y'all.

Don't it make you ashamed of yourself  
Don't it make you feel small, y'all?...
