I know that someday you'll want me to want you
When I'm in love with somebody else
You expect me to be true and keep on loving you
Though I am feeling blue you think I can't forget you.

Until someday you'll want me to want you
When I am strong for somebody new
No you don't want me now I'll get along somehow
And then I won't won't want you.

--- Whistles ---

(You expect me to be true and keep on loving you
Though I am feeling blue you think I can't forget you.)

Until someday you'll want me to want you
When I am strong for somebody new
No you don't want me now I'll get along somehow
And then I won't won't want you...
