(Wayne Kemp - Curtis Wayne)
George Jones & Vince Gill

Well, I was ruling the roost, had all the chicks to myself.
And suddenly it happened, that funny little feeling I
felt.
Well, I tried to outrun it, but it finally caught up with me.
Tell me how can I run from something that I can't see?

Chorus:
Oh, that little bitty teeny weeny thing they call the
lovebug.
Nobody's ever seen it, but it's got the whole world
shook up.
It all started with a little bitty kiss and a hug.
It's a little bitty teeny weeny thing they call the lovebug.

Well, I always thought that I had me a pretty good style,
But I lost that race by a good old country mile.
Yeah, I was walking all around
With my head held way up high,
And it fooled me, hit me, really took me by surprise.

Chorus:
Oh, that little bitty teeny weeny thing they call the
lovebug.
Nobody's ever seen it, but it's got the whole world
shook up.
It all started with a little bitty kiss and a hug.
It's a little bitty teeny weeny thing they call the lovebug.

Yes, a little bitty teeny weeny thing they call the
lovebug...
