Sittin' on a bar stool sippin' on a glass of tea
Well, when this lady walked by and she tried to put the
make on me
She had fake eye lashes and her home? hair, it nearly
blew my mind
And it makes me realize that the real thing is hard to
find

But you're the real McCoy, you're natural thing
From the smile on your face to your walk, to your
diamond ring
Your the real mccooy there's nothing fake about you
Yeah, you're a first class lady, yeah baby, you're a
dream come true.

--- Instrumental ---

Everybody loves these thing just to pass the time
And it's a wam bam thing where the feelings are left
behind
Ah, but baby when you hold me tight you're making
everything alright
Cause you're one in a million and the real thing is hard
to find.

But you're the real McCoy, you're natural thing
From the smile on your face to your walk, to your
diamond ring
Your the real mccooy there's nothing fake about you
Yeah, you're a first class lady, yeah baby, you're a
dream come true.

But you're the real mccooy, you're natural thing
From the smile on your face to your walk, to your
diamond ring...
