Sorry, I'm so late but I've been out a-walkin'  
Trying to find a way to tell you but I think you already  
know  
I'd never want to hurt you 'cause darling, I still love you  
But things aren't the way they use to be, it's time for  
letting go.

I wasn't out there lookin' but a month ago last Sunday  
I met someone just like you in line at the grocery store  
We've been spending time together, yes, she knows all  
about you  
The truth is, she can give me what you can't anymore.

I know I promised you forever  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way.

I feel so much better knowing we could have this  
moment  
But it looks like it may rain soon and it's getting kind of  
late  
Hon, I always bring you roses, every time I've come to  
visit  
The caretakers waiting, he want to close the gate.

I know I promised you forever  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way.

It wouldn't end this way...
