I've been living a new way  
of life that I love so.  
But I can see the clouds are gathering  
and the storm will wreck our home.  
For last night he held you tightly  
and you didn't even shy.

This is true, for I've been watching  
[Watching you]  
from the window up above.

You must have thought that I was sleeping  
and I wish that I had been.  
But I guess it's best to know  
you and the way your heart can sin.  
I thought we belonged together  
and our hearts fit like a glove.

I was wrong, for I'd been watching

[Watching you]  
from the window up above.

From my eyes the teardrops started  
as I listened on and on.  
I heard you whisper to him softly  
our marriage was all wrong.  
But I hope he makes you happy  
and you will never lose his love.

I was wrong, I was watching  
[Watching you]  
from the window up above.

How I wish I could be dreaming  
and wake up to an honest love.  
I was wrong for i was watching  
[Watching you]  
from the window up above.
