There goes my only possession
There goes my everything
I hear footsteps slowly walking
As they gently walk across a lonely floor

And a voice softly saying
"Darling, this will be goodbye forever more"

There goes my reason for living
There goes the one of my dreams
There goes my only possession
There goes my everything

As my memory turns back the pages
I can see the happy years we had before
Now the love that kept this old heart beating
Has been shattered by the closing of a door

There goes my reason for living
There goes the one of my dreams
There goes my only possession
There goes my everything
