I gave up cigarettes haven't had to light one yet oh it's
been a year since I stopped
Same goes for alcohol I don't touch the stuff at all I
used to drink till I dropped
But those were tough this is easy and it feels so good
to say
Forgetting you is not that hard to do for I've done it a
thousand times a day

Friends said it would take some time to get you off my
mind
They thought I'd never let you go
But I guess I've proved them wrong one more bad habit
gone
Just like the whiskey and the smokes
But those were tough this is easy I'm all right I'm okay
Forgetting you is not that hard to do for I've done it a
thousand times a day
[guitar]
I've given you up for good just like I said I would oh the
night you walked away
Forgetting you is not that hard to do for I've done it a
thousand times a day
Oh I've done it a thousand times a day
