Walk through this world with me; go where I go.
Share all my my dreams with me, I need you so.
In life we search and some of us find.
I've looked for you a long, long time.
And now that I've found you, new horizons I see,
Come take my hand and walk through this world with
me.

Walk through this world with me; go where I go.
Share all my dreams with me, I've searched for you so.
And now that I've found you, new horizons I see.
Come take my hand, and walk through this world with
me.
Come take my hand, and walk through this world with
me.
