If anyone could find the joy
That true love brings a girl and boy
We could, we could you and I
If anyone could ever say
That their true love was here to stay
We could, (we could), we could you and I.

When you're in my arms I know
You're happy to be there
And just as long as I'm with you
I'm happy anywhere
If anyone could pray each night
And thank the Lord that all is right
We could, (we could,) we could you and I.
