WEARING MY HEART AWAY

(George Jones)

WITH GENE PITNEY

(I'm wearing my heart away for you)
I wonder where you are tonight my love
These mem'ries of you just started now
My arms are cold while you hold someone new
And I'm wearing my heart away for you

I'm wearing my heart away for you
It cries out loud my love is true
And though my darling if you'd only knew
I'm wearing my heart away for you
I'm wearing my heart away for you...
