(both sing)

We're gonna hooooold on
We're gonna hooooold on
We're gonna ho-ho-oh-old on to
Each other

(T.W.)

Life can be rough
Sometimes it's kind
A real good life
Is hard to find

But the best love
Is the one we've known
And the faith we have between us
Makes it grow

(G.J.)

Some love lives
And some love don't
We've got the kind
Of love we want

It brings us happiness
All through the day
And nothin' can ever make
It go away

(both)

We're gonna hooooold on
We're gonna hooooold on
We're gonna ho-ho-oh-old on to
Each other

(both)

Time will tell
If you're right or wrong
We know we're right
By holdin' on

And the future is set for you and me
Filled with love

The way we both want it to be

(both)

We're gonna hooooold on

We're gonna hooooold on

We're gonna ho-ho-oh-old on to

Each other

We're gonna hooooold on

We're gonna hooooold (we're gonna) on

FADES-

We're gonna ho-ho-oh-old...
