We both have our morning cup of coffee  
And with tender love you reach and touch my hand  
Then my son comes in each day, good mornin' daddy  
And I say how's daddy's little man.

Then I woke up from dreamin'  
I woke up from dreamin'  
I keep dreamin' your not gone  
But I found myself alone  
When I woke up from dreamin'.

---- Instrumental ----

We're both makin' plans for the future  
All the joy that we want to give our son  
We saved almost enough to buy a new home  
A home filled with love and family fun.

Then I woke up from dreamin'  
I woke up from dreamin'  
I keep dreamin' your not gone  
But I found myself alone  
When I woke up from dreamin'.

Then I woke up from dreamin'...
