Your world was so different  
From mine don't you see  
We just couldn't be close  
Though we tried.

We both reached for heavens  
But ours weren't the same  
That's what happens  
When two worlds collide.

Your world was made up  
Of things sweet and good  
My world could never  
Fit in, I wish it could.

Two hearts lie in shambles  
And oh, how they've cried  
That's what happens  
When two worlds collide.

--- Instrumental ---

Your world was made up  
Of things sweet and good  
My world could never  
Fit in, wish it could.

Two hearts lie in shambles  
And oh, how they've cried  
That's what happens  
When two worlds collide...
