Well, I saw you today
And I thought for a while I was dreaming
You were the loveliest girl
I'd seen in a long long time

You introduced me to him
And while we were talking
I just stood there thinking
You never looked that good
When you were mine

It was all I could do to hide
All the things I was feeling
Lord just lookin' at you
Sent chills up and down my spine

I wanted so much to reach and touch you
But I just stood there dyin'
You never looked that good
When you were mine

You know honey, I've wondered so many times
If you still stayed out late the way we used to do
With all of our old friends
The jukebox and all that wine

Oh, maybe you just stay at home
Lovin' one another
'Cause you never looked that good
When you were mine

Oh, if I knew then what I know now
We'd still be together
'Cause you never looked that good
When you were mine
