Well in North Carolina way back in the hills lived my old
pappy and he had him a still
He brewed white lightning till the sun went down
He fill up a jug and he pass it around
Mighty mighty pleasing my pappy's corn squeezing
(whew white lightning)

Well the G men T men revenoers too searching for the
place where he made his brew
They were looking tryin' to book him but my pappy kept
on cooking
(Whew white lightning)

[piano]

Well I asked my old pappy why he called his brew
White lightning stead of mountain dew
I took a little sip and right away I knew
And my eyes bugged out and my face turned blue
Lightnin started flashing thunder started krashin (whew
white lightnin)

Well the G men T men...

[guitar]

Well a city slicker came and he said I'm tough
I think I want to taste that powerful stuff
He took one slug and he drank it right down I heard
him moanin' as he hit the ground
Mighty mighty pleasin my pappy's corn squeezin (whew
white lightning)

Well the G men T men...
