Tell me why baby, why baby, why baby why  
You make me cry baby, cry baby, cry baby cry  
I can't help but love you 'til the day that I die  
So tell me, why baby, why baby, why baby why

Well I got a crow, I wanna pick with you  
Just like the time when the feathers flew  
You're runnin' wild, kickin' up your heels  
And leavin' me home with a hand full of bills

Well, I can't live without you and you know it's true  
But there's no livin' with you so what'll I do  
I'm goin' honky tonkin', get as tight as I can  
And maybe by then you'll 'preciate a good man

Tell me why baby, why baby, why baby why  
You make me cry baby, cry baby, cry baby cry  
I can't live without you 'til the day that I die  
So tell me why baby, why baby, why baby why

Now I don't know, but I've heard say  
That ever' little dog is a gonna have his day  
You'd better pay attention, don't you dare forget  
'Cause I'm just a little bitty puppy yet

Well, I caught you honky tonkin' with my best friend  
The thing to do was leave you, but I should'a left then  
Now I'm too old to leave you, but I still get sore  
When you come home a feelin' for the knob on the door

Tell me why baby, why baby, why baby why  
You make me cry baby, cry baby, cry baby  
I can't help but love you 'til the day that I die  
So tell me, why baby, why baby, why baby why  
So tell me, why baby, why baby, why baby why  
Why baby, why baby, why baby why
