Yearning to be with the one I can't agree with
Yearning to hear you call my name
Like a fool I left you and now I can't forget you
Please forgive me take me back again.

I'll never be the same without you darling
You'll always be my everything
Now I'm yearning to kiss you
Oh, darling how I miss you
Oh, how I wish you felt the same.
--- Instrumental ---

I'll never be the same without you darling
You'll always be my everything
Now I'm yearning to kiss you
Oh, darling how I miss you
I wish that we could make commance sweetheart...
