(Georgette): You were just a picture on my baby grand

(George): Yours was in my wallet, I showed to all my friends

(Georgette): But the world rolled in between us, keeping us apart

(Georgette): Thank God we discovered we're still joined at the heart

Chorus:

(Both): You and me and time

(Both): Finally got together

(Both): I'm sorry that it took so long

(Both): But better late than never

(Both): The love we thought we'd lost

(Both): Was not that hard to find

(Both): It only took the three of us

(Both): You and me and time

(Georgette): I lost you to the spotlight, but kept you in my prayers

(George): No matter where they took me, hon you were always there

(Georgette): It's so hard when your hero is a stranger in your home

(Both): Our love's like a mountain, one can't move it alone

Chorus:

(Both): But you and me and time

(Both): Finally got together

(Both): I'm sorry that it took so long

(Both): But better late than never

(Both): The love we thought we'd lost

(Both): Was not that hard to find

(Both): It only took the three of us

(Both): You and me and time

(Georgette): We can't light the candles on the birthday's that we missed

(Georgette): But we can hold each other and thank the Lord for this
