If you think, it's lonesome where you are tonight.  
Well you oughta be here with me.  
If you think there's heartache where you are tonight.  
Then you oughta be here with me.

Chorus:

Because with you I'm whole. Without you I'm cold.  
So if you think about me where you are tonight  
Then you oughta be here with me.

If teardrops are fallin' where you are tonight.  
Then you oughta be here with me.  
If loneliness calls you where you are tonight.  
Then you oughta be here with me.

Chorus:

Because with you I'm whole. Without you I'm cold.  
So if you think about me where you are tonight  
Then you oughta be here with me.

Recitation:

You know if nobody loves you darlin'  
And it's lonely where you are tonight.  
Honey, Don't you know you oughta be here with me?  
And Here's thinking of you. Ah, wherever you are  
tonight

But you oughta be here with me.

Chorus:

Because with you I'm whole. Without you I'm cold.  
So if you think about me where you are tonight  
Then you oughta be here with me.

Darling, You oughta be here with me...
