I'm tired of this dirty old city  
Entirely too much work and never enough play  
And I'm tired of these dirty old sidewalks  
Think I'll walk off my steady job today

Turn me loose, set me free, somewhere in the middle  
of Montana  
And gimme all I got comin' to me  
And keep your retirement and your so called social  
security  
Big city turn me loose and set me free

Been working everyday since I was twenty  
Haven't got a thing to show for anything I've done  
There's folks who never work and they've got plenty  
Think it's time some guys like me had some fun

So turn me loose, set me free, somewhere in the  
middle of Montana  
And gimme all I got comin' to me  
And keep your retirement and your so called social  
security  
Big city turn me loose and set me free  
Hey, big city turn me loose and set me free
