Could be holding you tonight
I could quit doing wrong, start doin' right
But you don't care 'bout what I think
So I think I'll just stay here and drink

Hey, puttin' you down don't square the deal
At least you know the way I feel
Take all the money left in the bank
And I think I'll just stay here and drink

Hey, listen close and you can hear
That loud jukebox playin' in my ear
No woman's gonna change the way I think
I think I'll just stay here and drink

Hurtin' me now don't mean a thing
Since lovin' you, I don't feel no pain
My mind ain't nothin' but a total blank
I think I'll just stay here and drink

Yeah, I could be holding you tonight
Could quit doing wrong, start doin' right
You don't care 'bout what I think
Think I'll just stay here and drink
