Love is where you find it  
When you fi-ind no love at ho-ome  
And there's nothin' cold as I see it  
After the fire is gone

The bottle is almost empty  
And the clock just now struck ten  
Darlin' I ha-ad to call you  
To our favourite place again

We know it's wrong for us to meet  
But the fire's gone out at ho-ome  
And there's nothin' cold as I see it  
After the fire's gone

Love is where you find it  
When you fi-ind no love at ho-ome  
And there's nothin' cold as I see it  
After the fire is gone

Your lips are warm and te-ender  
Your ar-arms hold me just ri-ight  
Sweet words of love you remember  
That the one at ho-ome forgot

And each time we say it's the la-ast time  
But we keep hangin' on  
And there's nothin' cold as I see it  
After the fire is gone

Love is where you find it  
When you fi-ind no love at ho-ome  
And there's nothin' cold as I see it  
After the fire is gone
