If there's a chance that your heart misses  
The words I try to say with kisses  
If I don't seem to look as happy as I should

I wouldn't want to live without you  
I love everything about you  
Yes, even the bad times are good

Your middle name should be perfection  
'Cause that's what you are to me  
Even in my darkest moments you made it easier to see

I wouldn't change one thing about you  
If I knew that I could  
Yes, even the bad times are good

You never let me feel mistreated  
Your love was all I ever needed  
When I was weak somehow you always understood

You're not afraid of stormy weather  
That's what keeps our love together  
Yes, even the bad times are good  
Yes, even the bad times are good

Your middle name should be perfection  
'Cause that's what you are to me  
Even in my darkest moments you made it easier to see

I wouldn't change one thing about you  
If I knew that I could  
Yes, even the bad times are good  
Yes, even the bad times are good
