I'm loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me

We once were living our life alone
Once were living but the life was gone
Once my life was just a bad routine
'Cause when you're doing it by yourself life's such a
lonely thing

Loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me

Once was traveling a lonely road
Once was traveling with a heavy load
We had tried love but the thrill was gone
But your love came and showed me babe what I was
doing wrong

Loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me

Oh, I'm loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me

Oh, I'm loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me

I'm loving you babe, loving me
Loving you, loving me
I'm inclined just to let it be
Loving you, loving you, loving me
