I just love that good o-old gospel si-ingin'
I'll find ways, my fa-avourite song
And I just love that good o-old time reli-igion
This old world has gone withou-out it much too long

Oh how I love to sing and tell
When they ring those go-olden bells
And I just can't stand in one place
When they si-ing Ama-azing Grace

I just love that good o-old country prea-eachin'
This old world has go-one withou-out it much too-oo
long

Yes I love them good o-old fashioned ga-atherings
Where all of God's children came to pray-ay-ay
And oh how I rea-eally miss those old grass har-
arbours
How I wish we had more of those days today

Oh how I love to sing and tell
When they ring those go-olden bells
And I just can't stand in one place
When they sing Ama-azing Grace

I just love that good o-old country prea-eachin'
This old world has go-one without it much too-oo lo-o-
ong
