Oh, give me land, lots of land  
Under starry skies above  
Don't fence me in

Let me ride through the  
Wide open country that I love  
Don't fence me in

Let me be by myself  
In the evening breeze  
Listen to the murmur  
Of the cottonwood trees

Send me off forever  
But I ask you please  
Don't fence me in

Just turn me loose  
Let me straddle my old saddle  
Underneath the western skies

On my Cayuse  
Let me wander over yonder  
Till I see the mountains rise

I want to ride to the ridge  
Where the West commences  
Gaze at the moon  
Till I lose my senses

Can't look at hobbles  
And I can't stand fences  
Don't fence me in  
Don't fence me in

No, don't fence me in  
No, don't, don't fence me in
