It's been a hard day's night  
And I've been working like a dog  
It's been a hard day's night  
I should be sleeping like a log

But when I get home to you  
I find the things that you do  
Will make me feel alright

You know I work all day  
To get you money, to buy you things  
And it's worth it just to hear you say  
You're gonna give me everything

That's why I love to keep you home  
'Cause when I get you alone  
You know I feel okay

When I'm home  
Everything seems to be right  
When I'm home  
Feeling you holding me tight  
[Incomprehensible]

Hard day's night  
And I've been working like a dog  
It's been a hard day night  
I should be sleeping like a log

But when I get home to you  
I find the things that you do  
Will make me feel alright

It's been a hard day's night  
And I've been working like a dog  
It's been a hard day's night  
I should be sleeping like a log

But when I get home to you  
I find the things that you do  
Will make me feel alright  
You know I feel okey dokey

You know I feel all, I feel alright
